

## WHAT IS BAPTISM?

Our lives are not our own anymore

Baptism means to be submerged, immersed, dipped repeatedly

A Baptism of repentance for the forgiveness of sins

Get our hearts right with God

Be a Disciple, not just a follower

The Holy Spirit compels us to righteousness

Jesus died for my specific, personal sin, not just generic sin

Baptism is the declaration that you belong to Christ, dead to sin

## SCRIPTURE LIST

Exodus 19

Mark 1:1-11
