

INTERCESSORY PRAYER- PART 3

We need to grow or we will regress
Satan wants to insert unbelief into our lives wherever he can
He will do that through sin if he can
If he can't do that he will do that through fear, anxiety or hurt
He will try to insert unbelief any way he can by any means he can
Because our faith can be nullified by unbelief
Stay as close to Jesus as Jesus stayed with the Father
Jesus often withdrew to spend time with the Father
We have power to bind and loose
Bind evil spiritual authorities
Loose a spirit of wisdom and revelation
Speak encouragement, strength, peace, provision, etc
We must be in relationship with other believers, the body of Christ
We must have a revelation of God's love
Intercede for others
Stand in the gap for them
From the very moment that you pray, an answer is being sent
There is a multiplication factor when you pray with others in agreement
Pray for revelation of God's love for yourself and others
