

INTERCESSORY PRAYER- PART 4

We have been given mighty weapons
One of those weapons is prayer
We have the power to bind and loose
We have the keys of the kingdom of heaven
Keys give access
Keys lock and unlock
Bind spiritual forces of evil
Prayer is sharing your heart with God
All of us need to have people to come alongside us in prayer
Who can you share your heart with
The spirit is willing, but the flesh is weak
Your spirit must be built up
We must spend time in God's presence
When we get in the presence of God our spirit is being built up and our flesh is being put down
Watch and pray . . . so that you don't fall into temptation
If you follow your flesh you're on a path, not of just potholes, but of pitfalls ready to swallow you up
When the Holy Spirit calls you to pray, be willing to stop what you are doing and pray right then
We must have our minds set on what the Holy Spirit desires, not what the flesh desires
The mind governed by the flesh is hostile toward God
