

ENTERING INTO GOD'S REST

We sometimes can experience forgetfulness or amnesia

We must be aware of Spiritual Amnesia, which is chronic spiritual forgetfulness

Forgetting about the Lord, His promises or His faithfulness

Causes:

1. Laziness
2. Worldliness
3. Prayerlessness
4. Wordlessness
5. Restlessness

The Lord is NOT forgetful, He has not forgotten you

He remembers His covenant forever

He will not forget His promises to us

We must enter into His rest

There are different types of rest:

1. Physical rest
2. Emotional rest
3. Spiritual rest

If we are not in spiritual rest, we may not hear God's voice

Many do not enter His rest because of unbelief or disobedience

We must rest from our works of trying to earn our righteousness or win God's favor

God wants His rest to enter into us

Keys to enter into His rest:

1. Remember that God has not forgotten us
2. Do away with sin
3. Cease from (spiritual) work

This rest is not something we enter into when we get to heaven, this rest is for today here on earth
