

CAN GOD GET OUR ATTENTION?

Consider how blessed we are compared to people in other parts of the world

How can God get our attention when we are so focused on so many other things? (Cell phones, internet, TV, etc)

God wants our attention

Be intentional concerning your time with God

Don't become numb to the goodness of God

Sin is fun for a short season, but in the end, it leads to death

Do we know God's ways?

Do we understand His character?

Don't forget about the holiness of God

Don't be slaves to sin

God did not promise an easy life

Endure hardship as discipline

Much of the suffering in the world is because people have free will

Main Points:

1. Hear God's voice
2. Don't harden your heart
3. Don't have a sinful heart
4. Don't have an unbelieving heart
5. Don't forget your first love
