

THE POWER OF AGREEMENT

The U.S. civil war is an extreme example of a nation divided.

America today is divided, white against black, rich against poor, republican against democrat, etc.

The enemy wants to divide us, he wants to kill, steal and destroy.

There is power in agreement, this is a spiritual principal.

One can put a thousand to flight, two can put ten thousand to flight.

Adam alone could not reproduce, but Adam together with Eve produced the whole human race.

Joshua and the Israelites defeated Jericho by being in total unity with each other according to the word of the Lord.

But when only one person was out of agreement, the Israelites were defeat in the next battle with Ai.

36 Israelites were killed because of one man's sin.

The man who sinned was stoned to death along with his entire family and even his animals.

The power of agreement works in any group or organization (football teams, companies, churches, etc).

We need to be in agreement with our spouses or our marriages and families suffer.

Are we in agreement with our pastor and the direction of our local body?

Have we forgiven those who have offended us, or are we in unforgiveness?

We need to be an example to those around us by forgiving others who may not deserve it.

Agreement leads to trust, trust leads to unity.

Agreement in prayer gets greater results.

Are we in agreement with God?

How can we be in agreement with those around us? Pray according to 2 Chronicles 7:14.

God healing our land can include our circumstances.
