

## **A SEASON AND TIME FOR EVERYTHING**

There is a season, and a time for everything.

Do you know what season you are in right now?

There will be high times and there will be low times.

The Bible does not say that there is “time” for everything, it says there is “a time” for everything.

If there is something in your life that you have desired, that you have been praying for, perhaps something that you believe God has promised you and it has not come to pass yet, it does not mean it will not happen. There is an appointed time for everything. It must happen in God's timing.

Time is fleeting, which makes time a very, very precious thing.

The older you get, the faster time passes.

Appreciate and enjoy the season you are in now, don't keep looking for the next season.

There are many seasons in life.

The Word says that He makes all things beautiful in it's time.

Flowers don't all bloom at the same time.

We need to discover what God is making beautiful, what is blooming in our lives right now.

We need to get in-touch with the Saviour and let Him help us see it.

The points:

1. Number your days. (Recognize the worth of your time)
2. Enjoy what the Lord sets before you in this season
  - Enjoy the Lord.
  - Enjoy the people around you.
  - Enjoy your labor.
3. We need to share that joy.
