

TREASURES IN HEAVEN

Do not store up treasures on earth where they will rust or corrode or break down or can be stolen.

Store up treasures in heaven, where none of those things can happen.

Treasures in heaven are primarily relationships.

Relationships, first with God and secondly with people.

We need to actively make a choice to structure our lives around relationships.

It's too easy to chase after the things of this world instead.

Where are we sewing our resources, including our time.

What do we spend our time on?

We should learn how to sew effectively.

We don't want to throw our resources away, we want our sewing to produce something.

Life is not a game, but it does have similarities.

Once you figure out how to play a game it can be so much fun.

Once you figure out how to do life it can be a whole lot of fun.

God wants you to know how to live life and enjoy it.

Are we asking God to do what we want, or are we asking God what He wants and trusting Him?

We sometimes feel compelled to do things out of our own understanding when we are under pressure.

But we need to remember that God is in charge, not us.

David, unlike Saul valued the right things and obeyed God.

God wants us to obey Him because we want to, not because we have to, not out of compulsion.

We need to want to spend time with God.

Things that we could do to get closer to God include; read His Word, do the life journal, worship Him, pray, listen to Christian music instead of secular music.

We need to prioritize our relationships with other people, starting with our family and extending out from there.

Use your god given abilities to build relationships.
