

THE HUNSAKERS - MISSIONARIES TO MEXICO

Travis and Heather Hunsaker are Open Bible missionaries at Puente de Amistad in Tijuana, Mexico.

Mission Description

Over the years Heather and I have been involved in church ministry, but although we were helping meet the church's volunteer needs we did not feel we were fulfilling our own specific calling. While taking INSTE Level Two, we became burdened for something deeper.

We developed a passion for missions after having been to Peru (Travis) and to the Puente de Amistad missions' base. Heather and I spent the past summer at Puente de Amistad serving under the leadership of missionaries Mike and Cathy Brandt. While in Mexico we felt God's leading that this was where He was directing us here long term. Assisting the incoming missions teams, seeing individuals willingly step outside of their comfort zones, and ministering in another culture is an amazing thing to be a part of.

I know this is Gods perfect timing. God has had all of this planned out from the beginning of time. What an awesome God we serve!
