

HOCKEY / CHARACTER CAMP

Good character qualities, like being encouraging, humble, hard working and selfless are often easier to talk about than they are to do.

Especially out of season, like when it's hot, or there is competition involved, or we're not feeling well.

We need to learn to rely on God to help us do those things.

Lord, help us to see people the way you see them and see the opportunities you see.

God does not look at the external things, He looks at people's hearts.

We are valuable and special to God, not because of our abilities, but just because we belong to Him.

God wants to use us for His purposes.

Are we available when He calls on us?

We are a chosen people, chosen by God for His purposes.

We need every person who is part of the kingdom of God.

The body of Christ needs us to use our spiritual gifts.

Nobody can see our spiritual gifts if we don't use them.

Every one of us has a least one spiritual gift.

Spiritual gifts include encouragement, giving, leadership, mercy, prophecy, service, teaching, administration, discernment, faith, healings, helps, knowledge, miracles, prophecy, wisdom and hospitality.

God made us to be us, not anybody else, don't try to be someone else, be you.

What are your gifts and are you using them?

One gift is not more important than any other, all gifts are indispensable.

One person is not more important than any other, everyone is indispensable.

Our gifts are activated when we give them away, they don't help anyone if we keep them to ourselves.

You are uniquely called by God, no one else can take your place, no one else can use your gift.

All the gifts are given by the same Spirit and they all fit together when we operate in them.

We really are in a war (spiritually).

But not many people in the body of Christ are truly in the army of God.

Not many willing to fight for souls.

To be part of the army of God, we have to surrender to God and follow His orders.
