

## SPIRITUAL GIFTS ASSESSMENT – ROMANS 12

Everyone has at least one purpose gift, because everyone has a purpose.

God wants us to exercise our gifts; purpose gifts and also the greater gifts aka power gifts.

Power gifts are momentary expressions of God's power in our lives.

To grow in our giftedness we need to be good stewards of the gifts we already have.

When you use your gifts to minister to others, you are sharing God's grace with them.

We need to be aware of our giftedness and we can take a spiritual gifts assessment to help us do that.

If you did not get one already, check the table at the back of the sanctuary for copies.

Listen to the sermon audio for detailed instructions on how to take and score the assessment.

I am unable to post the assessment here due to copyright restrictions.

Use the assessment to help guide you in using your giftedness.

When we use our giftedness, it must be motivated by love or it will be unfruitful.

God wants us to be fruitful and prosperous in all areas, the enemy wants us to be unfruitful.

We need to attend to and protect the fruit.

God's gifts and His call are without repentance.

God knows you by your fruit like a tree is known by its fruit.

A good tree cannot produce bad fruit and a bad tree cannot produce good fruit.

We must attend to the fruitfulness of the Spirit of God in our lives.

The devil wants to steal ALL of your fruit.

God uses people to accomplish His purposes in the earth.

There is no condemnation for those who are in Christ Jesus (no punishment or sentencing).

Don't allow sin to separate you from the love of Christ.

Sin does not stop God from loving us, but it does stop us from experiencing His love.

Produce fruit in keeping with repentance.

There might be the pain of someone else's sin blocking us from receiving the love of God.

Or maybe we have been believing the lies of the devil about us and that's blocking God's love.

God wants to remove all of those barriers.

In Christ, we are more than conquerors.

If you don't feel like more than a conqueror, tell your feelings to line up with the word of God.

Trust the word of God, not your feelings.

1. Attend to the fruit.
2. Don't allow anything to separate you from the love of Christ.
3. Exercising your giftedness manifests God's grace in someone else's life.
