

OUR THANK FEST

Things we should be thankful for:

1. God's design (nature, trees, mountains, stars, etc.).
2. Our Savior.
3. Our country, the United States of America (in spite of it's problems).
4. The race we are a apart of.
5. The family we belong to.
6. The way we look.
7. All that God has done for us, is doing for us and will do for us.
8. God given authority (government, parents, teachers, bosses, pastors, etc.).
9. God allowed conflict.
10. Criticism.
11. Sickness.

God uses everything in our lives for His purposes.

God can use any of us regardless of our capabilities, our race, what family we are from, or how we look.

God uses many different authority figures in our lives to correct us and to teach us.

God uses pain to correct us.

God's correction in our lives is part of His love for us.

Gives thanks in all circumstances, even the most unpleasant circumstances have a purpose in our lives.

Look at the poverty in Mexico and other countries and yet they are so willing to help others.

If they can be grateful in their circumstances, how grateful should we be in America?

When we are criticized, take it to the Lord and ask him to show you if any of it is true.

Watch out for pride, it is the hardest sin to see in ourselves.

Count your many blessings, name them one by one.
