## A CRAZY STEP OF FAITH

TOM STAMMAN

Tom Stamman, president of Impact Ministries International (IMI) helps orphans all around the world, especially in Honduras. Check out his PowerPoint, which I converted to PDF format. You could follow along while listening to his sermon as he describes what you see in this 57 page PowerPoint. It begins at 44 minutes 31.5 seconds into the recording.

Also, watch these two videos:

The first one describes what it is like to take a missions trip to Honduras. The perfect trip for someone who has never been on a missions trip before, or of course, anyone who has been on one before as well. <https://youtu.be/JEPV16XaCZ8>

The second one describes the facilities and the work they do in Honduras.
